The ONLY Light for Fiberglass Pools!

**120V SAVI POOL LIGHT
120V SAVI SPA LIGHT**

**12V SAVI POOL LIGHT
12V SAVI SPA LIGHT**

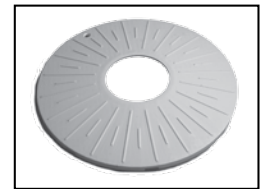

SAVI Underwater Lighting - The SAVI line of underwater lighting products use Proprietary TRUECOLOR™ Technology for the cleanest light and purest colors. It's the brightest way to light your pool or spa. The only light to consider for fiberglass pools - eliminating large niche leaking issues. The SAVI Pool and Spa Lights feature 9 exciting Color Modes: 5 beautiful static colors and 4 exciting shows which can all be controlled by the flip of a switch. The SAVI Pool Light and the SAVI Spa Light both fit spa niches. A retrofit plate is available for standard size pool niches. There are no moving parts and no maintenance is required.

This product covered by one or more of the following patents; Features officially licensed technology from Color Kinetics; patent number 6,016,038 6,150,774 Other Patents Pending

FEATURED HIGHLIGHTS:

- Both Fixtures Fit Spa Niche
- Brightest LED Lighting Technology
- TRUECOLOR™ Mix Technology
- Independently Control Pool & Spa Light with One Switch
- Automatic Memory, Saves Last Setting
- 9 Exciting Color Modes
 - 5 static colors: White, Green, Dark Blue, Light Blue & Pink
 - 4 color modes: Smooth color transition, blue/green fade, medium & fast color changes

SAVI NOTES

SAVI-NOTE M4 CONTROLLER

No Niche Required!

Fits standard gunite, fiberglass and vinyl return fittings.

Perfect for beach entries, steps, swimouts, sunshelves and even "multiple lens" underwater illumination

SAVI Notes - (requires M4 Controller). SAVI Notes is a nicheless, underwater, multi-color LED lighting system for pools and spas. These small but powerful lights create a variety of effects and a myriad of colors. Can be used to retrofit fiber optic systems.

This product covered by one or more of the following patents; 6,971,760
Features officially licensed technology from Color Kinetics; patent numbers 6,016,038
6,150,774
Other Patents Pending

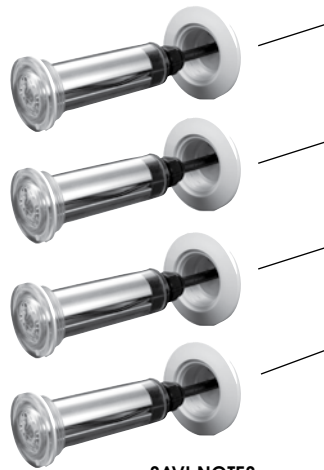

FEATURED HIGHLIGHTS:

- Both Fixtures Fit Spa Niche
- Colorful Underwater Lighting, Powerful RGB LED Array
- No Niche Needed - Fits Standard Return Fitting
- Retrofit Fiber Optic Systems
- M4 Controller (Required)- Can Control Any Combination of Up to 4 SAVI Notes and/or X-Stream LED Modules
- M4 Controller Standard Version
Color Modes:
 - 5 static colors: White, Green, Dark Blue, Light Blue & Pink
 - 4 color modes: Smooth color transition, blue/green fade, medium & fast color changes

M4 CONTROLLER

An M4 Controller is required to control the SAVI Note Fixtures (up to 4 can be connected)

SAVI NOTES

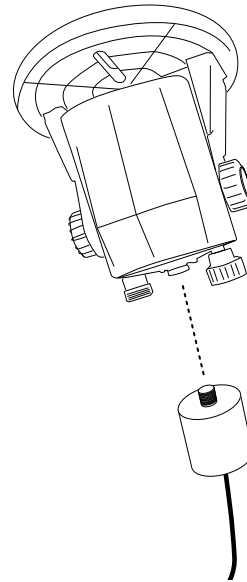

Connect up to 4 SAVI Notes to one M4 Controller.
